Enter the password on ATOM

3.3 Hotspot

iPhone

Maximize Compatibility

Android

AP band

2.4 GHz ✓

Turn on your phone's hotspot, then connect ATOM to it.

Place Your ATOM

Best: tripod, knee height

↑ Knee height, or on the floor

↔ Stand 0.5–1 m away

☒ Full body in frame, view clear

•→ Front or side view

Do

Recommended

Front

Side

Either works
— as the
exercise
shows

Don't

🎯 WHAT ATOM SEES

Too close

Too far

Off-center

Tilted up

❑ HOW IT'S PLACED

Too high

Blocked

PREFER IT QUIET?

Headphones

In the app, set **Sound Output to Phone**

Need Help?

Frozen? Hold 10 s to restart

Can't pair? Restart ATOM, Bluetooth on

Wi-Fi fails? 2.4 GHz only

Poor tracking? Full body in frame
